Practical First Aid Courses

New Dates

From October of this year, **Expedition Wise Medical** will be running a first aid course each month in Coedpoeth, near Wrexham. All courses are inexpensive, practical scenario based and fun.

The new and exciting Scenario Days are for anyone who has completed a first aid course and wishes to update their skills in a fun way.

For more information on dates and to book on a course, please click on the link below.

What's New?

Overseas Work

Expedition Wise Consultancy have recently run a Guide's Training Course in Tanzania with great feedback from the Kilimanjaro guides.

Expedition Wise has also recently participated in an expedition to the Grand Canyon with ITV Central News reporter Joanne Malin through Global Adventure Challenges Ltd.

Watch the ITV Central News from July 2nd at 6.00 pm all week for more details.
