## FEATURED ARTICLE

The **Expedition Wise** website **Galleries** are now up and running!

These have pictures from all the expeditions we have been involved in as well as pictures from all 5 of the Expedition Wise businesses.

Issue: EW005

Summer/2008

Dear Info,

Welcome to the **summer edition** of the Expedition Wise newsletter.

I hope you are able to enjoy any sun that we have!

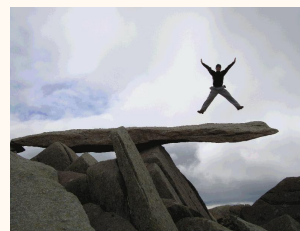

We are excited that our website **Galleries** are finally up and running - take a look at the featured article for more details and click through to the Galleries.

We ran our first series of **UK Challenges** this summer - take a look below for more details.

Exciting things are also afoot for 2009 with **more UK Challenges** coming on line, **Medical Event Cover** being promoted and our new **Navigation Training** weekends.

We have been amazed at how many people, after attending a pre-expedition training weekend or going on an overseas expedition, would like to learn how to better navigate around the mountains.

We ran our first Navigation Training weekend in April and intend running both a Basic and an Advanced training weekend on

5th - 7th June 2009.
